for Cambridge School Committee

TEACHER | PARENT | COMMUNICATOR

- ✓ Offer public junior kindergarten and pre-k for all.
- ✓ Close the racial and economic opportunity gaps in our schools and meet the needs of all learners.
- ✓ Budget for enough “hearts and hands” in every school building: teachers, family liaisons, social workers and specialized staff.
- ✓ Exceed our goal of 30% teachers of color by hiring, supporting and retaining excellent teachers.
- ✓ Ensure we are guided by the wisdom of our teachers, our families and the best available research as we implement the new strategic plan and evaluate a longer school day.
- ✓ Help our students and CRLS alums access opportunity through college and career guidance, internship and apprenticeship programs, mentorship and other supports.

*Proud of the Cambridge Public Schools
...but not satisfied.*

VOTE #1 DAVID WEINSTEIN

TEACHER | PARENT | COMMUNICATOR

for Cambridge School Committee Nov. 5, 2019

THE SKILLS, EXPERIENCE AND PERSPECTIVE TO SERVE

Every two years we elect a school committee team in Cambridge. We need a teacher, parent and collaborative organizational leader on that team.

- **David was a certified classroom teacher** in public elementary and high schools in New York and Massachusetts, and has spent his career in education.
David is the only candidate who has been a classroom teacher.
- **David is a Cambridge parent and advocate for public education** with two children in our elementary and upper schools right now.
- **David researched educational policy at the Harvard Graduate School of Education** and knows how to connect ideals with classroom realities.
- **David is a collaborative organizational leader** who has guided and grown a national civic education program based at Brandeis University.

“We have so much in Cambridge: the people, the financial resources, the municipal programs, the community organizations, and the innovative businesses. How can we still be failing so many of our children? **I ask you to vote David #1 for School Committee on November 5th and work with me** these next two years so our School Committee can achieve excellence, equity, innovation and opportunity for every child.”
